

2024-2025 Inclusive Simplified Tuition and Fee Schedule

Tuition and most fees are consolidated into one inclusive amount for each grade level. Making our tuition cost simplified helps our families better budget their financial responsibilities.

Inclusive Simplified Tuition Includes:

Tuition, Art, Cross-Curricular Field Trips, Secondary Camp(s), Senior Retreat, Senior Trip, and Graduation. Students in grades 6-8 will be assigned a chromebook for use at school only. Students in grades 9-12 will be assigned a chromebook for use at school and home for the school year. *Packaged fees are non-refundable*

What It Does Not Include:

Items and expenses that are personal in nature will continue to be the financial responsibility of each family. These costs include but are not limited to advanced class fees, athletic fees, enrollment fees, after school care, lunch, SAT/ACT fees, school uniforms, yearbook, R.O.C.K. program.

Athletic Fees

\$200.00 — \$500.00 depending on sport. Fees will be billed once the student begins the season.

Payment of Tuition and Fees - FACTS Billing Account Management

Living Rock Academy uses FACTS to manage family billing for tuition, athletic fees, and R.O.C.K. When enrolling/re-enrolling at LRA, a family will establish a FACTS billing account as part of the online enrollment process and choose between several payment plan options, monthly tuition due date choices, and payment methods. All families will enroll in automatic tuition payments to ensure on-time payments.
